# FeedBack

## Client - Feature clarifications:

- Author can auto-complete content for students
- Only include taken quizzes in grade calculations
- Don't need average attempts of all attempts per quiz
- Don't need to set points per questions -- all questions worth 1 point

## Mentor:

- Advice on implementing textboxes
- More career advice
- “Very Impressed with what we’ve done”

# Teamwork

**Hunter** - just a whole lotta back-end. Destroyer of free time.

**Max** - import students from CSV, post and update announcement

**Annie** - just a whole lotta front-end. Master of tables. Executioner of dead code.

**Jacob** - found some bugs, fixed some bugs, made some more bugs, quality of life updates, admin-view all user list.

**Random**
